Dear Dr. McAllister:

I want to sincerely thank you for your contribution of $1,000 to help defray the costs of the Northeast Regional Conference on Developmental Biology to be held September 24-27, 1987. This contribution will certainly help to make the meeting a success. We will not use these funds to reimburse expenses incurred by participants from industry, as you have requested. We will gratefully acknowledge your support in the meeting program, and hold open one slot for possible attendance from the Council for Tobacco Research. I wish to thank you again for your kind support.

Yours truly,

Dr. Lorraine J. Gudas
